Dear Mayor Duhovic,

Sunday and Monday morning the noise continues at the golf course. I have included more video. Today, Monday the equipment noise started at 5:50 AM. Sunday morning it started a little after 6 AM.

Please make sure you turn up your volume. If you cannot open these links, please let me know.
As you may know this area acts like an amphitheater and noise is carried easily.

I called the Sheriff department again early Sunday morning. They said they would be contacting RPV City Council and the golf course. If in fact they did contact the golf course, the maintenance team clearly is ignoring the noise ordinance.
